

FALLS CITY SOCCER CLUB – FAQ SHEET FOR 2017-18

FEES: Depending on the age and level, the fees range from \$1000 to \$1300 for the Fall & Spring seasons.

ABILITY LEVELS: Generally, teams are created on the following competitive scale:

Gold = premier level; Green = premier/classic level; White/Black = classic level.

SEASONS: Acceptance of a spot on a team is a commitment for two seasons: Fall season August 1, 2017 – October 31, 2017; Spring Season March 1, 2018 – June 1, 2018. We offer an OPTIONAL Winter Indoor Training Program from late December through February.

TRAINING: Most all teams will train at Jewish Community Center. For U9-U12: 2x per week; U13-U19 Classic level: 2 x per week; U13-U19 Premier level: 3x per week.

We will make every effort for all teams in each age group to have the same schedule. Practices are 90 minutes in length, typically on a Mon/Weds or Tues/Thurs schedule. You will be notified of specific schedules around July 15.

TOURNAMENTS: This group will participate in two tournaments per season, one local and one which may require overnight stay (within 2½ hour drive from Louisville). For the fall, we will once again apply the entire club to play in the Cincy Challenge Cup on October 7 & 8, 2017 in Cincinnati, OH.

LEAGUE: U9 – U12 will play in the KY Amateur Soccer League, which is primarily based in and around Louisville. The U9 & U10 ages play on Saturdays only, typically at Champions Park off River Road. (www.kentuckysoccer.com)

The U12-19 Gold team will apply for the Kentucky Premier League, which requires some travel, typically within 90 minute drive. (www.kplsoccer.com)

The U13 – U19 classic levels will play in the KY Select Soccer League, which also typically requires some travel within 90 minute drive of town. The remaining teams will apply for the Kentucky Amateur Soccer League, a local league. (www.kssl.org)

FIELDS: Most teams will train at Jewish Community Center. All home games will be played at the Parklands fields at Beckley Creek.

UNIFORMS: We will utilize the same kits as this past season, so returning players need not order uniforms. All new players will order new Nike “all green” and “all gold” kits, which includes the following items: 2 Jerseys, 2 shorts, 2 pair of socks, and 2 practice jerseys. The cost will be no more than \$160.00. For an additional price, you may purchase a Warmup top & bottom and a backpack.

COACHING STAFF: All of our coaches hold a USSF Coaching License as required.

TRYOUT RESULTS: Will be posted online within a few days of completion of tryouts, along with Acceptance package information and instructions.
