

Falls City Soccer Club is now offering soccer practices for youth players ages 3-7. Practices are designed to introduce these young soccer stars to skills that will lead to comfort and confidence using their feet on soccer balls. Using fun activities and creative challenges, we hope to foster a love for the game of soccer that will last for the rest of their lives. Overall, when kids think of soccer, we want them to relate playing soccer to pure enjoyment.

Practices are once a week for 55 minutes at our indoor facility, City Hall - 2408 Plantside Drive.

	registration begins	session begins	session ends
<i>September/October session</i>	August 1	September 6	October 23

Practice options - \$80 per player - practices capped at 12 players
